Halden Interiors' Keshia Franklin designed the carpet for Kips Bay's 'Heart of the Vine' den (left); Ghislaine Viñas designed the rug for her studio's 'Good Spirits' space (top); both were produced by The Rug Company. Sasha Bikoff's 'Flight of Fantasy' bedroom (bottom right) features carpet of her own design, while Jay Jeffers chose a jute and wool rug by Mark Nelson Designs for The Library (bottom left). www.kipsbaydecoratorshowhouse.org
