Kelly Wearstler Does Ombré, and More Eye-Catching Tile Launches You Might Have Missed

Here's where the trends are heading.

Large-Scale Botanicals

Interior designer **Ghislaina Viñas** teamed up with **Imagine Tile** to create this tropical motif dubbed **Jungle**, and it's available in two shades: emerald green and concrete. The porcelain pieces measure 12-by-24 inches, which makes the leafy scene that much more impactful and, dare we say, realistic.
